Chamber Music Guidelines

1. Chamber Music Assignments are made based on seniority and priority of graduation requirements for music majors. If you are NOT a music major, you may be asked to audition for an appropriate faculty member.
2. At least one member of the group MUST be registered for the Chamber Music Course. It is YOUR responsibility to make sure that you are registered for the course!!
3. The final concert for the Chamber Music Class takes place during the last two days of the final week of classes in each quarter. All Chamber Music Groups should plan to play on this recital if approved by the teacher.
4. Course numbers for Chamber Music are 44, 144 & 244. The instructors of each of these courses are listed in the catalogue. PLEASE MAKE SURE THAT YOU ARE REGISTERED IN THE APPROPRIATE SECTION!
5. Groups should arrange to meet and rehearse on a weekly basis as soon as possible. Coaching sessions with the instructor should be on a regular and weekly basis. A group which has not rehearsed and been coached during the first three weeks of the course should give serious consideration to dropping the course. It is not permissible to BEGIN coaching in the last few weeks of the quarter.
6. A student may not receive credit for more than one Chamber music assignment per quarter.
