

PRACTICE ROOM KEY INFORMATION

To arrange for Practice Room Keys,
Please contact Patrick Chose at

PChose@music.ucsb.edu or call him at (805) 893-3388.

Patrick's office is located in Room 1251 (at corner closest to the Storke Bell Tower)

Music department practice rooms are **only** for students in ensemble groups or those enrolled in Music department classes, which are **non-theory** classes. Students taking theory only classes do **not** get practice room keys.

A \$25 deposit is required to check out a key, and is payable by check only. You may also use a 'postal money order', available from the post office, located in the basement of the Ucen. Checks should be made out to 'UC Regents'.
No cash accepted.

The deposit is returned when the key is turned back in, either at the end of the quarter or at the end of the year, if your classes continue through June. Failure to return keys will result in the loss of your deposit and a possible fine.

Failure to pay the fine may result in us 'BARCing' your university account, which means you don't receive your diploma until the issue is resolved.

Students involved in performance ensembles (orchestra, jazz band, etc), or who are taking lessons from our instructors may receive practice room keys, when the instructor emails or presents a list of who may receive a key.

Keys may be checked out Monday through Friday from 9 AM to 3 PM.
See the sign on the door of room 1251 for more information.

All students and TA's must pay the refundable key deposit to receive keys.

If a student needs a locker to store their instrument or books in, we can check them out a locker – lock included – for an additional \$5 fee, also refundable, when the locker is cleared out at the end of a quarter or year.
