Do you have class conflicts with either Mus20A (M/W 3:30-4:45pm) or Mus20B (T/R 9:30-10:45am)?  
If so, how rigid are they?

Why do you want to take voice class/lessons?

Does this class fill a requirement for you? How so?

Have you taken voice or music lessons before? Explain

What do you hope to gain/accomplish in this class?

Have you taken and passed Music 11?

If you have not taken Music 11 (Music Fundamentals) we cannot guarantee you can add this class. If this is your case, please explain why you think you qualify to add this class based on your experience.
